

## YEARS 3 and 4 CURRICULUM HOMEWORK: SUMMER 1

*What might you find where  
the land meets the sea?  
(Can you describe coastal environments?)*

You can answer this question in any way that you want to as long as it is well presented, detailed work to share or display.

Here are some key word prompts to give some ideas of what you could do to answer your homework question.

Level of thinking	Skills
<b>Knowledge</b>	Knowledge and recall of information and facts <i>For example: list, label, name, define</i>
<b>Comprehension</b>	Understanding and interpreting information and facts <i>For example: Explain, summarise, reword, describe</i>
<b>Application</b>	Using information and facts to explain and problem solve <i>For example: Use, demonstrate how, solve, apply</i>
<b>Analysis</b>	Finding patterns, organising information and exploring meaning <i>For example: Analyse, organise, compare, contrast, group</i>
<b>Synthesis</b>	Predicting, creating new ideas, making links and conclusions from learning <i>For example: Create, design, predict, invent, develop</i>
<b>Evaluation</b>	Comparing, making choice and deciding how useful something is <i>For example: Judge, recommend, justify</i>

These skills can be demonstrated through writing, maths, ICT and computing, music, dance, art and design using historical, geographical and scientific learning. You can be as creative as possible in how you answer your homework question and share your learning!

Homework to be brought in by: Tuesday 8<sup>th</sup> May 2018
