Ofsted Report

Dear Parents and Carers,

Please find attached the final report to be published on the Ofsted website on Friday. This report reflects the findings of Ofsted's inspection of St Vincent's Catholic Primary School in July. We fully accept these findings and are committed to work tirelessly to secure the rapid improvements needed, to ensure that your children have the best possible education and to fulfil our school Mission Statement "*to love and serve as Jesus shows us*".

I am very excited to join the school at such an important time to lead this improvement and ensure that the children and staff are reaching their full potential. Also attached is a summary of the School Improvement Plan for this year, explaining how these improvements set out by Ofsted will be achieved and what differences this will make for your children. I wholly believe, as the first educators of your children, that you should be as involved as possible in these improvements and over the coming weeks and months I will be asking for your involvement in helping to shape the future of St Vincent's. I will also keep you informed of any action being taken to secure this rapid improvement. If you would like to give any initial feedback which will be constructive in moving the school forward, please answer the questions attached and return your feedback to school.

Please be assured of my total commitment to securing this improvement during my time here at St Vincent's – I am very much looking forward to being part of this exciting chapter in the life of this school and community.

Many thanks in anticipation of your full support.

Mr Dominic Vernon

Interim Head Teacher

St. Vincent's Catholic Primary School

To Love and Serve as Jesus Shows Us

Parental feedback to support School Improvement

What are the key strengths of St Vincent's Catholic Primary School? What are the things that you would want to remain the same?

What do you think would make St Vincent's Catholic Primary School even better?

Thank you for your feedback.
