## Sports Funding Plan 2016-2017

Estimated Sports Funding Grant 2016-2017 £9200				
How we aim to use the funding	Resources	Estimated Expenditure	Expected Impact	How will it be monitored?
To provide extra opportunities for sports development and opportunities	Specialist lead teacher training	£200	Pupils will be engaged in a variety of sports through taster sessions, clubs and coaching opportunities, both during and after school. Children will have increased opportunities to take part in competitive sports on an inter-school level. Children will continue to be trained to become sports and play leaders on a rolling programme. Staff have continued access to training from specialist PE leader and coaches	Lesson observation Learning Walks Drop In Pupil progress and attainment Increased participation in sports and PE Surveys – pupil, parent, staff
Development of physical development for FS and Key Stage 1 pupils (this will also be supported with an additional Lottery Grant of £10,000)	Specialist developer and installation	£5000	Access for all pupils in FS and KS1 to improved facilities to aid physical development outdoors. To provide a safe and secure environment where physical activity is encouraged and developed both with and beyond the curriculum	Lesson observation Learning Walks Drop In Pupil progress and attainment Increased participation in sports and PE Surveys – pupil, parent, staff
To fund lunchtime coach provision	Specialist Lead Coach	£3000	Structured lunchtime multi-skills clubs, engaging children to participate in meaningful activity, during a less structure time. Pupils are more physically active on a daily basis. More pupils access a wider range of sporting opportunities and to increase physical activity. New sports introduced to pupils with the aim of encouraging them to continue in their own time if they enjoy it, fostering a lifelong participation in sport	Ongoing monitoring activities Pupil feedback and participation
To update equipment	As identified in audit	£1000	There will be an audit of equipment matched to the delivery of the curriculum and after school sports. High quality equipment is available to support learning	Equipment audit Ongoing monitoring activities Pupil Feedback and participation

## PE and Sports Fund Impact

2015-2016

### SPORTS FUNDING AND HOW IT IS ALLOCATED - £9200

At St Vincent's, we are committed to raising the profile of every child's physical education. We are proud to offer high quality PE lessons through the use of upskilled school staff, as well as high quality coaches. This ensures continuity and progression throughout both key stages, as well as each child receiving a minimum of two hours physical activity every week. Children in Y2, Y4 and Y6 go on outdoor and adventure residentials and visits. They also take part in competitions both within and beyond the school. The Sports Fund has allowed us to improve the quality of provision and equipment throughout the school. The impact has been positive for all pupils and has allowed more pupils to access a wide range of opportunities. School has also been successful in securing additional Lottery funding to develop the outside area to improve access to physical development opportunities for FS and KS1 pupils.

Allocated funds	Cost	Impact
Warrington Sports Partnership	£1500	Children take part in competitions Staff have undergone high quality training and are upskilled in teaching and learning for PE School has access to specialist support
Extra- Curricular Sports Clubs	£1500	Raised the profile of PE throughout the school Pupils trained as Playground Leaders and run lunchtime sessions School clubs are run by both school staff and specialist coaches which enabled school to take part in more inter-school competitions
Structured lunchtime multi-skills clubs	£3500	Children are more active in structured activities during lunch breaks. Pupils are trained as playground leaders to help run lunch and breaktime activity sessions, giving them a change to develop leadership skills 100% of pupils have accessed structured lunchtime provision during the year.
New Equipment	£1700	Audit of resources and equipment purchased to improve resources across
