Early Learning Goals

Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

	Before starting Reception, children should:	During Reception, the children will learn to:	By the end of Reception, children should:
Understanding the world	<ul style="list-style-type: none"> Know that there are different countries in the world and talk about the differences they have experienced or seen in photos. 	<ul style="list-style-type: none"> Recognise some similarities and differences between life in this country and life in other countries. 	People Culture and Communities <ul style="list-style-type: none"> Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.

National Curriculum Expectations:

Learning a foreign language is a liberation from insularity and provides an opening to other cultures. A high-quality languages education should foster pupils' curiosity and deepen their understanding of the world. The teaching should enable pupils to express their ideas and thoughts in another language and to understand and respond to its speakers, both in speech and in writing. It should also provide opportunities for them to communicate for practical purposes, learn new ways of thinking and read great literature in the original language. Language teaching should provide the foundation for learning further languages, equipping pupils to study and work in other countries.

	By the end of Year 2	By the end of Year 4	By the end of Year 6
<ul style="list-style-type: none"> Non-statutory 	Pupils should be taught to: <ul style="list-style-type: none"> listen attentively to spoken language and show understanding by joining in and responding; explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words; engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help; speak in sentences, using familiar vocabulary, phrases and basic language structures; develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases; present ideas and information orally to a range of audiences; read carefully and show understanding of words, phrases and simple writing; appreciate stories, songs, poems and rhymes in the language; broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary; write phrases from memory, and adapt these to create new sentences, to express ideas clearly; describe people, places, things and actions orally and in writing; understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high-frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English.
