

Year 5 Art and Design Knowledge Organiser: Viking Jewellery - Sculpture

Subject Specific Skills:

I can use sketchbooks to record ideas;
I can review and revisit ideas in their sketchbooks;
I can question and make observations about starting points, and respond positively to suggestions;
I can offer feedback using technical vocabulary;
I can think critically about their art and design work;
I can use clay and other malleable materials and practise joining techniques;
I can use materials other than clay to create a 3D sculpture;
I can add materials to the sculpture to create detail;
I can use tools and materials to carve, add shape, add texture and pattern.

Prior Learning

- Cut, make and combine shapes to create recognisable forms;
- Use clay and other malleable materials and practise joining techniques;
- Add materials to a sculpture to create detail.

Key Vocabulary

join

Key Artist:

Ola Gori
Born in 1937. A Scottish jewellery designer. Early designs were inspired by Orkney's Norse heritage.

Investigate (style / techniques / examples):

- To use knowledge about Viking art to design a piece of Viking jewellery.
- To sketch and annotate sketches to explain and elaborate ideas.
- To investigate different patterns and designs used in Viking art and jewellery.

Design and Create:

A piece of jewellery inspired by the Vikings

Evaluate:

- I will be able to adapt and refine my ideas as the artwork progresses.
- I will transfer my understanding from the research and sketchbook stages in my final piece.
- I will evaluate my final piece of jewellery and say what I think and feel about it.
