

St Vincent's School Council Newsletter

Spring Edition 3/4

A message from the Chair of our School Council

This term we have been very busy deciding our action plans for the Spring term. We have been working together closely to look at how we can make improvements at St Vincent's. Your voice is so important to us. In this newsletter you can find out about our priorities for the year, what has changed and more. Very recently we have changed the way we present in the awards assembly and added more roles and responsibilities as part of the council role.

You said, we did....

You: After councillors met, more of you asked for an outdoor learning space and somewhere to rest and relax during outdoor learning or play. Councillors took your ideas to Mrs Norris and are now working on outdoor learning areas and calm spaces for summer.

Upcoming Events and Priorities

Anti Bullying Week

Mental Health Day

Internet Safety

Outdoor learning shelter

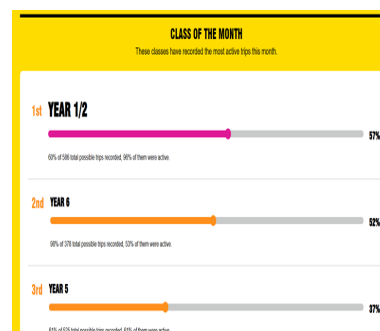

Earth Day

Prayer Garden

Uniform Sale

WOW Winners

Healthy eating councillors have monitored the WOW tracker monthly to check progress as a school and also as a class. Well done Y1/2 this Spring As a school we came in the area. Councillors will present Y1/2 with their certificate soon.

To love, serve and learn as Jesus shows us

Earth Day 2025- Take Action!

Litter picking and recycling has really taken off between KS1 and KS2 this half term. Councillors are very pleased with the whole school sustainable effort and are preparing a questionnaire to get your feedback about how the new system is working. And any changes you feel are needed. As part of Earth Day, Eunice from Penketh Parish Council, came to each class to discuss the importance of recycling with us.

Children's Mental Health Week -Know yourself, grow yourself

Our mental Health councillors supported others during Children's Mental Health week and they have provided a video with a powerful message for you all about growing through being kind. Follow the link to access below.

Jubilee Year of Hope- Are you taking part too?

"For all of us, may the Jubilee be an opportunity to be renewed in hope."
Pope Francis.
