MESSAGE OF THANKS

We would like to express our heartfelt thanks to all the parents who took the time to complete the survey during our recent Catholic School Inspection. The lead inspector shared several thoughtful comments with our staff during the feedback session, and we were genuinely touched by the kind words. We are also deeply grateful to the parents and grandparents who spoke so positively about our school at the school gates.

Our children were truly remarkable throughout the inspection, as they always are. Their behaviour was exemplary—whether in the classroom, during our whole-school Celebration of the Word, while moving around the school, or when speaking with the inspectors. One class sang *"We Are Children of the Light,"* and they most certainly are—they let their lights shine every day.

We would also like to express our immense pride in our dedicated staff team. It has been a demanding week, and our staff went above and beyond to showcase the wonderful work that happens here each day.

The results of the inspection will be available in approximately four weeks. Once we receive the report, we will be delighted to share it with you.
