ST V-FEST

If you are able to help run a stall during our St V-Fest, please can you either let Mrs Croughan aware or speak to our office. You may be able to help for an hour or for the whole event. We will ensure that stall holders with children at the school will be able to watch their children perform. We appreciate all of the support offered and could not run these events without the support from our amazing community.

SUMMER
EDITION

FOR FAMILIES

Warrington's Local Cultural Education Partnership (LCEP) is delighted to share our second newsletter with families across Warrington, with a spotlight on Warrington Arts Festival taking place this July!

Warrington's Local Cultural Education Partnership (LCEP) is a collaborative initiative that brings together schools, cultural organisations and community partners to enhance cultural education opportunities for children and young people. These partnerships aim to ensure that all young people, regardless of their background or location, can access high-quality arts and cultural experiences.

Each term we hope to connect with families across Warrington, letting them know about the cultural and creative activities happening across our wonderful town!

WARRINGTON ARTS FESTIVAL FULL PROGRAMME

The vibrant annual event, hosted by arts charity Culture Warrington, has revealed its full programme for a summer town centre takeover with a series of performances and installations coming to a variety of venues and pop-up spaces over nine days.
