

Meet the Year 5 Teacher

Welcome to an exciting year of learning

Introducing Miss Uttley

I am in my second year of teaching, last year I had a mixed Year 3 and 4 class so I am excited to begin my teaching in Year 5. My teaching philosophy is to promote enthusiasm and joy in the classroom. If learning is engaging and fun it will be more effective and enjoyable. The beauty of having a small class is we can tailor the lessons and make learning really specific to the children which will promote a love of learning. I feel incredibly lucky to be part of the Year 5 team and I look forward to working together to ensure every child has a happy, successful and memorable year filled with learning, laughter and achievement.
