

Year 5 Homework

13th September

Homework in Year 5 will be sent home on Fridays. Every week there will be an English task and a Maths task. We would also like you to practise your times tables each week. It is important that you are able to recall the multiplication and division facts quickly and accurately.

Maths - Place Value Mystery Numbers Game

<http://flash.topmarks.co.uk/3438>

In Year 5 we learn about numbers up to a million!

Reading

Well done to all those children who have started to read at least 3 times each week. Diaries must be signed 3 times for a reward. They can be signed by an adult or by yourselves. Also, thank you for bringing in the photographs of you getting caught reading. If you have not brought one in yet, please try to do so next week.

Spelling

Continue to learn your Year 3/4 Spelling List and make a start on the Year 5/6 words. These words are in the back of your school diary. We will send home a list of words next week.

Thank you,

Mrs Long, Mrs Millington & Mrs Williams
