Rationale

'I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL'

(Jn.10.10)

We are involved in Relationship, Sex and Education (RSE) precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Our approach to RSE therefore is rooted in the Catholic Church's teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity; Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in the divine creativity. RSE, therefore, will be placed firmly within the context of relationship as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DFE (and the Welsh Assembly Government) RSE will be firmly embedded in the PSHE/RSHE framework as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils. It is centred on Christ's vision of being human as good news and will be positive and prudent, showing the potential for development, while enabling the dangers and risks involved to be understood and appreciated.

All Relationship, Sex and Health Education RSHE will be in accordance with the Church's moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from. It will also prepare pupils for life in modern Britain.

Aim

St. Vincent's Catholic Primary School aims to provide a suitable programme that follows the statutory need to include RSHE into their curriculum from September 2020 which meets the ethos of its Catholic identity and mission.

The purpose of this Relationship, Sex and Health Education (RSHE) policy is to set out the ways in which the school's provision supports pupils through their spiritual, moral, social, emotional and physical development, and prepares them for the opportunities, responsibilities and experiences of life growing up in today's world.

Our School's mission embraces the spiritual, physical, intellectual, emotional, moral and social development of children and young people, and through an agreed approach to Relationship and Sex Education (RSE) using the Archdiocesan recommended resource 'Journey In Love' (2020) we believe that we can promote the development of the whole child, so that children can grow in *virtue, wisdom and stature*, understanding both the emotional, social and physical aspects of growing spiritually, as well as moral aspects of relationships within a context of a Christian vision for the purpose of life.

The other aspects of the statutory curriculum intent will be met within Come and See (RE), PSHE and Science curricula. (See appendices at end of document which incorporates Come and See (Appendix 2), DFE Statutory Relationships and Statutory Science (Appendix 3) and an overview of other resources mapped across each Year Group (Appendix 4))

The Purpose

The aims of Relationship, Sex and Health Education (RSHE) at St. Vincent's Catholic Primary School are to:

- Provide a framework in which sensitive discussions can take place.
- Help pupils develop feelings of dignity, self-worth, self-respect, confidence and empathy.
- Prepare pupils for puberty and give them an understanding of sexual development and the importance of health and hygiene.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.

Statutory Requirements

At St. Vincent's, we must provide Relationships Education to all pupils as per section 34 of the Children and Social work act 2017.

In teaching Relationship and Sex Education, we must have regard to Catholic Education Service guidance issued by the Bishops Conference of England and Wales 2017.

The statutory guidance from the Department for Education issued under Section 80A of the Education Act 2002 and section 403 of the Education Act 1996 Appendix A

The statutory guidance from the Department for Education Equality Act 2010.

Policy Development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review – Dominic Vernon (Head Teacher) and Paul Daly (RE and RSHE lead) reviewed the policy, referencing DfE statutory guidance and guidance from the Archdiocese of Liverpool.
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations. (January 2021)
3. Parent/stakeholder consultation – parents and carers were invited to provide feedback on policy and provision for RSHE through an online survey due to COVID-19 restrictions in place at the time of the policy review (February 2021)
4. Pupil consultation – we investigated what exactly pupils want from their Relationship Sex and Health Education through activities completed with sample groups of children focussing on what each aspect of the curriculum meant to them, and what they wanted the curriculum to cover (March 2021)
5. Ratification – once amendments were made, the policy was shared with governors and ratified. (March 2021)

Definition

Relationship, Sex and Health Education involves a combination of sharing information, and exploring issues underpinned by our Catholic values.

Relationship Sex and Health Education is about the emotional, social and cultural development of pupils, and involves learning about personal relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

Curriculum

We have developed our curriculum with recommendations from the Archdiocesan Education Department to ensure that they meet with Catholic Church teaching.

After consultation with parents, Relationship Sex Education will be covered using the Archdiocesan recommended resource 'Journey in Love' 2020. This includes sexual intercourse at Year 6. (See right of withdrawal)

We have considered the age, stage and feelings of pupils and have consulted with parents and staff to ensure we are offering a quality curriculum which is adequately catered to meet their needs.

We have adapted PSHE materials from a number of resources which enable both PSHE and RSHE objectives to be met (see Resources listed below and overviews attached in Appendix 4).

If pupils ask questions outside the scope of our curriculum, teachers will respond in an appropriate manner so they are fully informed and do not seek answers online.

Delivery of Relationship, Sex and Health Education (RSHE)

Relationship and Sex Education (RSE) is taught both discretely and within the Personal, Social and Health Education (PSHE) curriculum lessons. Some aspects of the RSHE curriculum may be touched upon in other lessons as it shares links with Religious Education, Science and Physical Education.

Our RSHE will ensure that content is relevant to the age, experience and maturity of pupils.

The new statutory guidance for Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me.
- Caring friendships.
- Respectful relationships.
- Online relationships.
- Being safe.

These areas of learning are taught within the context of 'family life' and could include married or single parent families, same sex parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a support structure around them (for example: looked after children or young carers).

As a school, we promote equality of opportunity and foster good relations. Our school environment uniformly applies values of inclusion and respect to all pupils and their families. All staff are proactive in promoting positive relationships and receive regular training.

Equal Opportunities

All pupils have access to the RSHE curriculum. Where pupils have specific educational needs, arrangements for support from outside agencies and support staff are made to ensure these pupils have an appropriate, differentiated curriculum.

Roles and Responsibility

The Governing Body

- The governing body will approve the RSHE policy and hold the Headteacher to account for its implementation.

The Head Teacher

- The Head Teacher is responsible for ensuring that RSHE is taught consistently across the school and for managing requests to withdraw pupils from the non-statutory element of Relationship and Sex Education in Year 6* (see right of withdrawal)

Staff

- Staff do not have the right to opt out of teaching RSHE as this forms part of the Teaching Standards. Any staff who have concerns about teaching RSHE are encouraged to discuss this with the Head Teacher.
- Staff are responsible for:
 - Delivering RSHE in a sensitive way which complies with Church teaching.
 - Modelling positive attitudes to RSHE.
 - Monitoring progress.
 - Responding to the needs of individual pupils.
 - Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.

Pupils

- Pupils are expected to engage fully in RSHE and, when discussing issues related to RSHE, treat others with dignity, respect and sensitivity.

Parents' right to withdraw

Parents have the right to withdraw their children from the non-statutory component of sex education in Year 6. This is where sexual intercourse is taught discretely as part of the physical aspect within Journey In Love, the Archdiocesan recommended resource.

Requests for withdrawal should be made in writing and addressed to the Head Teacher. The Head Teacher will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

Monitoring arrangements

The delivery of RSHE is monitored by Paul Daly (RE and RSHE lead), Dominic Vernon (Head Teacher) and Kathryn Long (Deputy Head Teacher) by undertaking learning walks, staff and pupil consultations, planning and work scrutiny and questionnaires.

Pupils' development in RSE is monitored by class teachers as part of our internal informal assessment systems.

This policy will be agreed annually by the governors and reviewed every three years.

Appendix 2: Come and See and Relationship and Sex Education

Introduction

The following is intended as a guide for linking Relationship and Sex Education with Come and See. Some of these aspects might be covered in the EXPLORE section where the topic is being introduced, starting with the pupil's own experience, and extending into the REVEAL and RESPOND sections. Some ideas may be used in the REVEAL process where the teaching is explicitly concerned with Scripture and the teaching of the Church. Some topics offer more explicit teaching to develop ideas about Relationship and Sex Education, some less so.

Another way of using this section is when teaching Religious Education which occurs in other aspects of the curriculum.

Appendix 3: Statutory Science Curriculum

Early Years Foundation Stage children learn about life cycles. Through on-going personal, social and emotional development, they develop the skills to form relationships and think about relationships with others.

In Key Stage 1, children learn:

- That animals, including humans, move, feed, grow and use their senses and reproduce
- To recognise and compare the main external parts of the bodies of humans
- That humans and animals can reproduce offspring and these grow into adults
- To recognise similarities and differences between themselves and others
- To treat others with sensitivity

In Key Stage 2, children learn:

- That the life processes common to humans and other animals including nutrition, growth and reproduction
- About the main stages of the human life cycle

RSHE, personal development, wellbeing and citizenship Overview

At St Vincent's Catholic Primary School, the physical and emotional well-being of our children is a priority. We place a great deal of importance on PSHE and Citizenship as a Catholic school and it is embedded in our ethos as defined in the Mission Statement and Aims of the school:

Our Mission Statement:

To love, serve and learn as Jesus shows us.

Our Aims:

To support everyone in our school to achieve their full potential and to be inspired to learn

To reach out to our community and the world around us and respond in love and service

To follow the example of Jesus in our actions and interactions

We nurture and educate our pupils in order to help them develop the knowledge, understanding and skills needed to live happy, healthy and successful lives, now and in the future. Central to our PSHE and Citizenship teaching and learning is the promotion and nurturing of our pupils spiritual, moral, social and cultural development. PSHE and Citizenship is taught through a range of implicit and explicit learning opportunities and is embedded throughout the curriculum. PSHE objectives are covered during discreet lessons using resources from the following:

- Jigsaw programme of study /
- SEAL programme of study
- PSHE Association
- www.valuesmoneyandme.co.uk
- Journey in love
- A range of texts to teach The Equalities Act and celebrate difference and diversity across the curriculum
- CAFOD Resources
- Picture News / First News
- St John's Ambulance – KS2 First Aid Pathway

PSHE and Citizenship objectives are also covered across the curriculum e.g. Come and See, Science, English, History, Geography, Music, Art and PE. In addition to this PSHE content is complemented by whole school events such as assemblies, enrichment activities, trips and visits/visitors and Church services throughout the year.

Fundamental British values are promoted through cross curricular links, through the work of the school council and through the overall aims and objectives of the school which underpin the school Mission Statement. Throughout the year, whole school assemblies focus on each of the British Values as part of our ongoing exploration of our School Values. Many of these values are reinforced through our Religious Education programme, Come and See, and children have regular opportunities to explore them further through collective worship.

Democracy:

Pupils are listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. Pupils also have the opportunity to air their opinions and ideas through our School Council and regular questionnaires / interviews:

- The elections of the School Council members are based solely on pupil votes, reflecting our British electoral system and demonstrating democracy in action.
- Focussed activities based around the General Election and EU referendum in a range of classes, including debates, mock elections and votes. Brexit discussions have taken place in Year 5 and 6.

Linking to the wider curriculum, our democratic society has been analysed and compared to other societies, historically and in the present day.

Individual Liberty:

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for our pupils to make choices safely, through the provision of a safe environment and an empowering education.

- NSPCC, PCSO, fire brigade, school nurse session

Our pupils are encouraged to know, understand and exercise their rights and personal freedoms and are advised how to exercise these safely, for example:

- E-safety lessons and ongoing focus during computing lessons.

Whether it is through choice of challenge, how they record, or participation in numerous extra-curricular activities, our pupils have the freedom to make choices.

Tolerance of Those With Different Faiths And Beliefs:

This is achieved through enhancing pupils understanding of their place in a culturally diverse society and by giving them opportunities to experience such diversity. Assemblies and discussions involving prejudices and prejudice-based bullying have been followed and supported by learning in Come and See and PSHE. The Come and See programme provides two opportunities throughout the year to explore the beliefs of other faiths and religions, which include Judaism, Hinduism and Islam, and to explore the similarities to Christianity as well as the differences.

- Work focussed on charities such as CAFOD when fund raising
- Other class topics provide opportunities to learn about different cultures

The Rule of Law:

The importance of laws whether they are those that govern the class, the school or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour:

- School rules are clearly displayed throughout school and consistently applied, with a clear progression of rewards and consequences.
- Visits from authorities such as the Police, Fire Service, etc. are regular and help to reinforce that importance of laws to govern and protect us.

Mutual Respect:

All members of the school community treat each other with respect and pupils understand that respect needs to be shown to everyone, whatever differences we may have. This is reiterated through our School Mission Statement – children, parents, staff and Governors were involved in reviewing and writing this. Annually we revisit the Mission Statement and provide children with a range of opportunities to discuss and explore this. Respect for others is reiterated through:

- Our school rules,
- Behaviour policy.

This value underpins our work every day, both in and out of the classroom.
