OUT OF SCHOOL ACHIEVEMENTS

Bella-Eve competed in her first gymnastics competition and came 3rd on vault and 2nd on floor.

AFTER SCHOOL CLUBS

Next week is the final week of after school clubs for this term. It has been great to see so many children engaged in all of the activities offered this half term.

After Easter we will publish clubs for the Summer Term in the same way that we did for this term. The timetable will be shared with you, and then you will receive a link to the e-form on which you should make your request for places in after school clubs. Please look out for this information so that you child does not miss out.

Judo club is being run by an external company, who have already sent information home this week. Bookings for this club must be made by completion of the form sent home, returned to school with payment.

LEARNER OF THE WEEK

Well done to this week's super stars!

...to all of
the mums,
grandmothers,
carers, aunts
and other
special ladies
of St Vincent's!

Year 4 and Reception children led a wonderful celebration this morning for Mother's Day. They did an amazing job and there wasn't a dry eye in the house!

NUT FREE ZONE

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

PHOTOGRAPHS

Photo proofs have been sent home this week. A reminder that the deadline for ordering is Friday 1st April. Thank you

FOOTBALL MATCH

Well done to the Year 6 children who played a friendly football match last night. Although it was not a win, the children were commended on their behaviour and team work!

Well done!

Thank you to Mr Daly and Mrs Williams for organising this for the children.

UNIFORM

We are setting up provision to enable for parents and carers to benefit from second hand uniform available direct from school rather than needing to purchase new uniform every time it needs replacing. This provides a more cost-effective way to keep children looking smart, and also offers another opportunity to reduce our carbon footprint and be more eco-aware.

There will be no expectation to purchase the second-hand uniform, but any donations would be greatly appreciated in return for any uniform taken.

If you have any uniform, in good condition, that your child has outgrown, please send it into the school office. We will update you further once uniform is available for you. Thank you.

EASTER PLANTING

After the success of last year, on Monday 4th and Tuesday 5th April, the children will be helping to revive our school grounds and continue to develop our outdoor learning space by participating in Easter planting. On these days, all children should come into school in clothes suitable for outdoor activity and gardening. Children can bring wellies to change into if they wish.

If they have a pair of gardening gloves or old gloves, these would also be useful, and weather dependent, a waterproof jacket may be needed!

We have received a donation of trees and hedges from the Woodland Trust in celebration of the Queen's jubilee, but any other plant donations would be gratefully received.

Thank you to all of the volunteers who have already offered help with the ground work in developing our outdoor learning area. Our new shed has been installed and other jobs can now begin next week.

Please let us know when you are available between now and the end of term and we will have jobs ready for you!

EASTER ASSEMBLY

At **9am on Wednesday 6th April**, Year 5 will be leading an Easter reflection assembly to mark this most important time in our Church's year.

If your child is in Year 5, then you are welcome to join us for this celebration. However please note that we continue to limit numbers, so only **2 adults per child in Year 5 should attend**. Thank you for your cooperation.

QUESTIONS AND QUERIES

A reminder that questions or queries are best brought to staff in order to avoid any confusion or unnecessary worry to others. WhatsApp and other social media, whilst really useful, are not always the best or most appropriate forum to seek information which relates to school activities organised by staff. Please also be mindful of the way in which queries are raised with staff, who go above and beyond to give children as many experiences and opportunities as possible, increasingly outside of normal school hours as things return to normal. Staff are happy to answer any questions or queries but must be treated with respect and courtesy.

Thank you for your generosity during Lent so far. We have been able to share monetary donations with CAFOD and Comic Relief, your donations for the Ukraine Appeal have been dropped off at Church, and we have collected 114 Easter Eggs for O.L.L.Y. Such amazing kindness from all our families.
