Please can you make sure that all reading books that belong to school are returned before we finish for Summer. For those in isolation, please send books with siblings where possible but please do not worry if you have to wait until September.

No reading books will be sent home from Monday so that staff have chance to get all of the books sorted and organised ready for September.

One final plea too for the return of any resources sent home during either of the lockdown periods which have not yet been returned to school.

Thank you.
