

YEAR 1 CURRICULUM HOMEWORK: Summer 1

Theme: Plants and Gardens

You can complete as many of the tasks as you choose in the time given, but you must make sure that it is well presented work to share or display and show off your skills!

Thinking Skill	Activities
Knowledge (Remember)	<ul style="list-style-type: none">Write some facts about the plants in your garden or plants that live in certain habitats – eg a cactus in a desert.
Comprehension (Understand)	<ul style="list-style-type: none">Make an alphabetical list of all the plants in your garden.List some of the jobs a gardener has to do in the garden during the year.
Application (Apply)	<ul style="list-style-type: none">Plant a bulb or some seeds and keep a short diary of how you look after it and how it grows.Help to look after your garden- take a picture of you gardening and write about some of the ways you have helped.
Analysis (Analyse)	<ul style="list-style-type: none">Draw and label the parts of a flower or tree.Complete an observational drawing or painting of some plants or flowers in your house or garden.
Synthesis (Create)	<ul style="list-style-type: none">Design and make a simple garden in a shoe box. It might have real plants and animals or have designer plants you have created yourself.Design your own garden and draw a plan of the fun features you would have if you could. Eg a sand pit.
Evaluation (Evaluate)	<ul style="list-style-type: none">Write a short story based on a famous plant story such as – Jack and the Beanstalk or The Enormous Turnip.

Please bring into school during the week of:
