LIVING STREETS

Following on from Walk to School Week, we are starting a project after half term with the Charity Living Streets which aims to get children more active in the way they travel to and from school.

Please see the letter sent separately. The children will be logging how they get to school and can earn pin badges for active travel to school.

**LET'S
WALK TO
SCHOOL**

SPORTS DAY

Next week the children will be completing their Sports Day activities. Whilst we are unable to invite you in to support your children, we hope that you will support and encourage them to do their best by gathering sponsorship for the event and in doing so support our school too! The money raised will go directly to buying resources for your child's class and for Year 6 it will be used to support their end of year celebrations.

We will share photographs and videos on Twitter throughout the week. We were hoping to be able to live stream the events for you to watch via Teams, but unfortunately the school Wifi does not extend far enough outside to allow this.

Children should come to school in PE kits every day next week in case plans need to change due to the weather!

COVID-19 EMAIL ADDRESS

If your child, or a member of your household receives a positive COVID-19 test result over the weekend, please notify school immediately so that we can make the necessary plans, using: office@stvincentsprimary.org

KOOTH

Kooth.com is commissioned for young people across Cheshire between the ages of 11-18*. Kooth.com provides anonymous and personalised mental health support through self-help resources, peer forums and one to one text based counselling chats.

Information has been sent to Year 6 about this service

NUT FREE ZONE

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

SWIMMING

A reminder that swimming for our Year 4 children has now finished for this half term. It will recommence on Tuesday 15th June. Thank you.

THE BIG ASK

Dame Rachel de Souza

The children have been completing the Children's Commissioner's survey called

The Big Ask in school. The survey is open to children of all ages but can only be completed in school for children aged 6 and over. The survey cannot be completed in school for children aged 5 or under. If your child is not yet 6, please follow the link below to complete the survey with them:

DOGS AT THE SCHOOL GATES

If you are walking to school and bring your dog, please be mindful of others and keep your dog at a distance from the main gates onto the playground. Children's entrance to and exit from school is sometimes being blocked by people dropping off with dogs. Thank you for showing consideration for others.

LETTER FROM THE BISHOPS OF ENGLAND AND WALES

In this morning's assembly we continued our thinking about climate change and being ambassadors for change.

Our focus started last year with the Pope's letter "Laudato Si'" about caring for our common home and then continued earlier this term with CAFOD's national assembly: Eyes of the World.

We shared the letter from the Bishops of England and Wales and continue to work to make changes in our school and home lives to protect the future of our world.

Please talk to your child about how you can also make changes at home to better protect our world and the future for our children and future generations.

The letter is attached for your information.
