WALK TO SCHOOL

Great to see lots of children being more active in getting to school this week. Keep it up and if you didn't manage it this week, try and be more active next week when you can—walking, park and stride, cycling or scooting are all great ways to be more active in how you travel to school.

If choosing to Park and Stride, please use the Co Op / Red Lion or Olive Tree car parks rather than street parking. We have been contacted by a local resident this week who was concerned that parked cars almost caused one of the children to have an accident this week. Please help keep the children safe.

TERM DATES FOR 2021—2022

NUT FREE ZONE

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

Some of the outdoor equipment in Reception Class needs updating. If you have scooters or bikes in good condition that you no longer use and are willing to donate, we would greatly appreciate any donations.

We are planning some updates / changes to our school building and organisation of rooms and resources. If you can spare any time to help with moving or organising resources or painting outside, please contact the office. Whilst we still cannot have lots of people in school at any one time, we would appreciate your support and would organise jobs so that you do not have direct contact with children or staff.

THANK YOU!

Well done to Year 1 and 2 who entered a poetry competition last term and we are delighted to announce will be having their poems published in a book. What an amazing achievement!
