School Newsletter

To love, serve and learn as Jesus shows us

Friday 9th September 2022

WELCOME BACK!

We hope that you all had a great summer break! It has been lovely to welcome children and families back this week and we look forward to a really successful year ahead.

PE LESSONS

Children are to come to school in their PE kits on the days outlined below, with the exception of children in Reception class who should leave their PE kit in school for now:

Monday: Reception and Year 1/2

Tuesday: Reception, Year 3/4 and Year 6

Wednesday: Reception, Year 1/2 and Year 4/5

Thursday: Year 3/4 and Year 4/5

Friday: Year 6

HOMEWORK AND READING BOOKS

Homework will re-commence from next Friday—set through Microsoft Teams, Ed Shed and Deepening Understanding. Children in Reception, Year 1 and some of Year 2 will also receive a weekly code to use to access a phonics e-book on the Rhino Reader App to complement their phonics learning in school.

Please support your children to complete their homework activities which are set to reinforce and practice learning from in school and make sure that they read regularly, at least 3 times per week.

Thank you.

MEET THE TEACHER

During this first half term we offer parents and carers an opportunity to "Meet the Teacher".

We will share the details of this open evening next week so that you can once again have an early opportunity to find out about the year ahead, see you child's classroom, meet their teacher and ask any initial questions.

We will confirm dates and details shortly.

Mr Vernon

ASSEMBLIES

Our celebration assemblies begin on Monday, so weekly attendance, team point totals and award winners will be back on the newsletter next week too. On Monday we will introduce our young leaders who have been elected or appointed for this year. If your child is receiving an award in assembly, you will be notified by text on the Thursday before so that if possible you can make arrangements to attend the following Monday to see them receive their award.

Other special assembly dates will be published each term so keep an eye on the newsletter so that you can get dates booked in and come and enjoy watching your child's assembly.

SNACKS AND LUNCHES

Please support us in our focus on promoting a healthy lifestyle by ensuring that your child comes to school with a healthy snack and packed lunch.

**healthy
eating**

Guidance can be found in your child's planner

A reminder that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

Please make sure that your child's ParentPay account remains topped up to cover the cost of school meals for children in Key Stage 2 and any snacks for all children. Please be aware that we are unable to fulfil snack orders if funds are not available on the account.
