## Mission Day

On Thursday we celebrated the Feast of St Vincent with a Mission Day. During the day the children had chance to reflect on what makes them special and unique as God's creations, what makes our school a wonderful place of faith and learning, and how we should live our School Mission:

*To Love and Serve as Jesus Shows Us.*

The children created artwork to represent our school Mission Statement and Vision, they created prayer stones, drew self-portraits and had time to think, pray and reflect throughout the day. Year 6 have also started a project to create a school video. All of this work will be displayed around school to celebrate our school and our children. The video will be on our website when it is completed.
