If your child is showing symptoms of COVID-19, only your child must isolate. If a PCR within 48 hours confirms a positive result, then they will remain in isolation to complete the 10 day period, but if negative, they can return to school. If anyone in your household or a close contact tests positive, household members and close contacts will be asked to take a PCR test, but will only need to isolate if they themselves show symptoms or the test returns a positive result. Remote learning will be provided for any child having to self-isolate if and when they feel well enough to complete it.

If your child is required to isolate due to symptoms or a positive test for COVID-19, please notify school immediately by telephone or email to: office@stvincentsprimary.org
