MENTAL HEALTH CHAMPIONS TOP TIP

This week's top tip from our School Council Mental Health Champions:

Snake Breaths:

Did you know that focusing on your breathing for a few minutes can actually relax your body and brain? Try these steps below when you feel anxious or just want a moment of calm:

1. Try and make yourself comfortable.
2. Inhale through your nose deeply for a count of three.
3. Exhale through your mouth whilst making a hissing sound.
4. Repeat five times.
