JIGSAW PIECES

If your child has decorated a jigsaw piece and not yet sent a photograph to their teacher, please do so by the end of Monday as we are collating them electronically until the children return to school, when we will collect the actual jigsaw pieces to display in school.

EXPRESS YOURSELF PADLET

We have set up a padlet, which is an online collaboration platform onto which we would love the children to share something about what makes them feel happy, or how they express themselves. This could be a photo, a sentence or paragraph, a piece of work a video...be creative!

The padlet can be accessed by following this link, which has also been shared with the children on Microsoft Teams:

COVID-19 EMAIL ADDRESS

If your child receives a positive COVID-19 test result, please notify school immediately whether they are attending school currently or learning remotely. If your child is attending school, you must also notify us of any member of the household who has received a positive COVID-19 test result so that we can make the necessary arrangements. Please notify school using:
office@stvincentsprimary.org

*"When things are difficult,
remember who you are"*

*"Who am I?" asked the boy
"You are loved" said the horse"*

RETURNING REMOTE LEARNING EVIDENCE

We are delighted to see the continued high levels of engagement with the live sessions and remote learning. There are however children who we can see are viewing tasks set, but are not returning them to their teacher for feedback. This is vital so that staff understand how children are progressing so that adaptations can be made and we can set tasks which are appropriate.

We understand the pressures of supporting your child's remote learning, however we need your support in checking that children are completing their tasks AND returning them to their teachers. We will continue to contact parents/carers of children who are not returning work and would appreciate your support in monitoring that this is happening. Work should be returned on Teams wherever possible, but if this is proving a challenge, please contact your child's teacher about emailing it directly to them.

Thank you.

A DAY OFFLINE

As a follow on to Children's Mental Health Week this week, and in recognition that the children are spending a huge amount of time on-screen at the moment, we will be having an "off-screen" day next Wednesday. Children will not be set work online and will not be expected to attend live sessions for this day only. This is a chance to read, be creative, play sport, enjoy nature...
