<u>Maths Problem of the Week</u> — Fractions — Subtracting Mixed Numbers Complete these questions — think about making the fractions 'like'!

$$2\frac{1}{6} - \frac{5}{12}$$

$$2\frac{1}{5} - \frac{7}{15}$$

$$4\frac{2}{3}-2\frac{5}{6}$$

## PARENTS!

Could you ensure that children bring in their curriculum homework within the next couple of weeks? We are eager to show off what the children have produced by displaying their work around the school corridors! Thank you!

English — Using Inference
Use your inference to answer the questions — go A.P.E!

Who is the boy? Where is he walking? Who does the dog belong to? Where has the puddle come from? What is the car behind doing?

Thank you all, once again, for coming in to talk about your child's progress — it was really lovely to hear so much positivity from you all! Enjoy your weekend!

Mr Daly Year 5 Teacher Read and Spell these words from the list below — the children will be tested next Friday!
