EXPRESS YOURSELF

#ChildrensMentalHealthWeek

CHILDREN'S MENTAL HEALTH WEEK

Next week we celebrate children's mental health week. Resources will be shared with the children on Teams along with a jigsaw piece activity that we would like all children to complete, using it to #expressyourself. Please share a photo of this with your child's teacher, and then when all children return we will collect these pieces to create a whole school display.

There is a live national assembly on Monday morning which we are encouraging the children to attend too. Details will be shared on Teams.

There are also some general mental health resources on the school website under the COVID-19 tab > Remote learning > emotional wellbeing and mental health: https://www.stvincentsprimary.org/website/emotional_wellbeing_and_mental_health/531865

"What's your best discovery? asked the mole"

"That I'm enough as I am" said the boy"

REMOTE LEARNING SURVEY

Thank you to everyone who has completed the remote learning surveys—parents, carers and children. We are now in the process of analysing the results. We will provide feedback shortly, but in the meantime can I take this opportunity to thank you once again for supporting your child to engage in their remote learning.

FEEDBACK ON REMOTE LEARNING COMPLETED

Please make sure that your child is checking when assignments on Microsoft Teams are returned. These can be accessed on the "Activity" tab on Teams where it will show returned assignments along with any comments and feedback from staff. Your child may have corrections to complete or a further question to respond to.

COVID-19 EMAIL ADDRESS

If your child receives a positive COVID-19 test result, please notify school immediately whether they are attending school currently or learning remotely. If your child is attending school, you must also notify us of any member of the household who has received a positive COVID-19 test result so that we can make the necessary arrangements.
