YEAR 5 VISIT TO SAFETY CENTRAL

Year 5 had a fantastic time at Safety Central on Monday, learning so much about how to keep safe in a range of different situations...

...how to stay safe on the road, near riverbanks, near train tracks

...how to put other people in the recovery position

...how to stay safe online,

...how to reduce the risk of fire at home

Well done Year 5—lots of important learning and you represented St Vincent's wonderfully. The Team at Safety Central tweeted to say:

"What a brilliant group, thanks for visiting Safety Central."

COVID-19: ISOLATION RULES AND REPORTING

If your child is showing symptoms of COVID-19, only your child must isolate. If a PCR within 48 hours confirms a positive result, then they will remain in isolation to complete the 10 day period, but if negative, they can return to school. If anyone in your household or a close contact tests positive, household members and close contacts will be asked to take a PCR test, but will only need to isolate if they themselves show symptoms or the test returns a positive result. Remote learning will be provided for any child having to self-isolate if and when they feel well enough to complete it.

If your child is required to isolate due to symptoms or a positive test for COVID-19, please notify school immediately by telephone or email to: office@stvincentsprimary.org
