EASTER PLANTING

On Monday and Tuesday next week, the children will be helping to revive our school grounds by participating in Easter planting. Reception class will focus on their outdoor area, Year 1 and 2 will be planting at the front entrance to school and Key Stage 2 will focus on the allotment / outdoor learning area on the school field.

Children do not need to wear school uniform on Monday and Tuesday, but should come into school in clothes suitable for gardening and outdoor activity. Children can bring wellies to change into if they wish.

If they have a pair of gardening gloves or old gloves, these would also be useful, and weather dependent, a waterproof jacket may be needed!

Please support us by sending any plant donations into school on Monday. These do not have to be shop bought—donations from your garden will be much appreciated. Thank you.

CROSS FACTOR

The Methodist Church have kindly invited our Year 5 and 6 children to participate in Easter activities remotely, sharing activity booklets and a video that they have recorded to help the children to focus on the important celebration of Holy Week and Easter. Many thanks to those who have put such time and effort into producing and sharing these resources.

NUT FREE ZONE

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

EASTER EGG BINGO

On Wednesday next week, we will be hosting a whole school "Easter Egg Bingo" fundraising event for school funds. Children can play up to 5 games of Bingo, with each strip of game cards costing £1 (£5 total to play in all 5 games). Money should be brought into school on Bingo Day and class teachers will distribute game cards. Winners will receive an Easter Egg prize, kindly donated by the Coop.

RECEPTION CLASS CHICKS

We are delighted to share with you the lovely news that Reception Class have successfully hatched 12 chicks to date and are doing an amazing job of caring for the new arrivals!

HOMETIME SUPERVISION

A number of parents have made us aware that children are wandering off from adults once they have been picked up from school.

This compromises safety on a number of levels, both in relation to maintaining social distancing but also in relation to general road safety. Please make sure that children remain safe once they have been picked up, by keeping them close.

CAFOD VIRTUAL CHILDREN'S LITURGY

If you are not yet able to return to attending Church, CAFOD are continuing to share children's liturgy online so that families can celebrate Holy Week and Easter from home.

Children's Liturgy is live at 10am this Sunday to celebrate Palm Sunday. Follow the link below to find out more and to register:

If you can't join live, a recording will be available to watch afterwards.

RSHE

Following consultation with parents/carers, children, governors, staff and the Archdiocese, we have now finalised our RSHE policy and curriculum map outlining how we use a range of resources across the school to support children's personal development and wellbeing. These resources allow us to fully meet the DfE statutory requirements for Relationships, Sex and Health Education.

Our new policy and curriculum overviews are now available on the school website, alongside a summary of the parent/carer feedback that we received and a parent/carer guide to "A Journey in Love" which is the resource we use to teach RSE.
