

Telling the Good News

Telling the Good News

(based on 1 Thessalonians 4:13-14, 18)

We believe that Jesus died
and is risen to live a new life, for ever.
Jesus has promised
that when we die we shall live again,
a new life, like he does.
So don't be sad about people who die...
they will all live again with God.
Tell other people about
this...
help them to hear this
Good News.
