

YEAR 5 CURRICULUM HOMEWORK: SPRING 2

Can you tell me all about your family history? Show me places where you have lived, facts about yourself & your family!

OR

Research other people/events that share your birthdate! Explain why you chose them.

You can answer this question in any way that you want to as long as it is well presented, detailed work to share or display.

Here are some key word prompts to give some ideas of what you could do to answer your homework question.

Level of thinking	Skills
Knowledge	Knowledge and recall of information and facts <i>For example: list, label, name, define</i>
Comprehension	Understanding and interpreting information and facts <i>For example: Explain, summarise, reword, describe</i>
Application	Using information and facts to explain and problem solve <i>For example: Use, demonstrate how, solve, apply</i>
Analysis	Finding patterns, organising information and exploring meaning <i>For example: Analyse, organise, compare, contrast, group</i>
Synthesis	Predicting, creating new ideas, making links and conclusions from learning <i>For example: Create, design, predict, invent, develop</i>
Evaluation	Comparing, making choice and deciding how useful something is <i>For example: Judge, recommend, justify</i>

These skills can be demonstrated through writing, maths, ICT and computing, music, dance, art and design using historical, geographical and scientific learning. You can be as creative as possible in how you answer your homework question and share your learning!
