

**Welcome to
St. Vincent's
School**

We have made this book to show you some of the lovely things we do at school and to help you get to know the Reception area better.

We hope you enjoy our book.

There are 2 adults who help us in Reception

Mr Parle - Class Teacher

Mrs. Gaskell - Teaching Assistant

In Reception we have our own classroom,
outdoor area, toilet and cloakroom.

Our cloakroom is in our classroom. In the
cloakroom we each have a peg with our name
on it. We hang our coats and PE bags on our
pegs.

We try to keep the cloakroom tidy.

The toilets are next to the cloakroom.

In Reception you have your own tray.

You put your book bag in your tray.

After we have put our things away, we sit on the carpet and Mr. Parle calls the register. Mr. Parle will then know who is at school and who is having a school dinner, toast or juice.

When we go outside, we can choose to put wellies and waterproofs on. We have a wellie changing room on the way to our area.

We have lots of fun outside.

At lunchtime, we eat our lunch in the big hall. Some children have packed lunches and other children have school dinners, which are very yummy!

We have two snack times and we bring our water bottle to school each day.

At snack time we have apple juice or water to drink and to eat we have fruit, toast or a healthy snack from home.

We do all kinds of exciting, fun activities in school.

We have lots of special days where we dress up and take part in exciting activities.
Even the grown-ups dress up!

We go to the hall for PE.

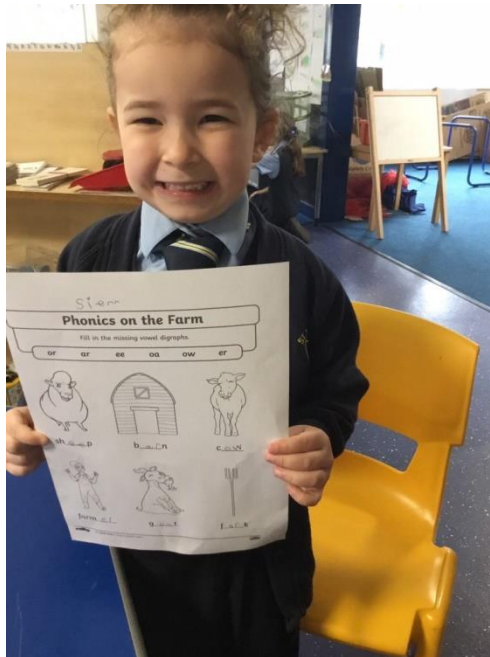

We use the benches, mats and ladders to learn how to climb, jump and balance.

We do lots of reading.

We read with our teachers and our grown up helpers. Sometimes our special friends in year 6 come to read with us.

We use our phonics to help us to learn to read and write.

We learn to write at school. It makes us feel very proud.

Our class has a writing table with lots of pens, pencils and paper. You can choose what you would like to write or draw.

Our friends.

Socko loves exploring sounds. We learn letters and sounds around the classroom with Socko.

Cookie Monster LOVES snacks! We experiment with food with Cookie Monster and learn about healthy eating.

Jigsaw Jennie loves to talk to us about friendship and how to be a good friend. We love showing Jennie how to play nicely.

Estimation Elmo loves everything about numbers and shapes. He works with us in maths activities. He goes home with someone every weekend to do lots of counting and estimating in his Mighty Maths book!

We hope you have enjoyed sharing our book.

We look forward to seeing you soon and
hope you will be very happy here at St
Vincent's School.
