## Maths Problem of the Week - Fractions - Fractions of an amount

## PARENTS!

Could you ensure that children bring in their curriculum homewor<u>before Wednesday 10<sup>th</sup> April?</u> We are eager to show off what the children have produced by displaying their work around the school corridors! Thank you!

## <u>English – Inference</u>

2.0

Use the image to make inferences - justify your answers fully.

Where is the photo taken? What are the people doing?

Why is the man with a green t-shirt wearing plastic gloves?

Why are there so many fish but so few octopus?

What is all the ice for?

What do you notice about how everything is organised?

Why is there a set of scales in the image?

\*\*\*\*\*\*\*\*\*

Thank you all for your continued support — have a lovely weekend with your children!

Mr Daly Year 5 Teacher Read and Spell these words from the list below — the children will be tested <u>on</u> <u>Wednesday!</u>

dependable
