### COVID-19: ISOLATION RULES AND REPORTING

If your child is showing symptoms of COVID-19, only your child must isolate. If a PCR within 48 hours confirms a positive result, then they will remain in isolation to complete the 10 day period, but if negative, they can return to school. If anyone in your household or a close contact tests positive, household members and close contacts will be asked to take a PCR test, but will only need to isolate if they themselves show symptoms or the test returns a positive result. Remote learning will be provided for any child having to self-isolate if and when they feel well enough to complete it.

If your child is required to isolate due to symptoms or a positive test for COVID-19, please notify school immediately by telephone or email to: [office@stvincentsprimary.org](mailto:office@stvincentsprimary.org)

## **NUT FREE ZONE**

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

## **SCHOOL PHOTOGRAPHS**

The school photographer is due in school on Tuesday 28th September to take individual photos. All measures outlined in our school risk assessment will be maintained to ensure the continued safety of all children, staff and visitors.

If you do not wish your child to have their photo taken please can you inform school.

All children should wear full winter uniform (shirt and tie). If they normally have PE, they should bring their PE kit into school and will get changed in school on this occasion.

## **SCHOOL LEVY**

You should have received a message and payment notification in relation to the school levy. Please log into ParentPay for more details and to make this payment, which while voluntary, we hope that you will make so that this does not have to be taken out of school funding which should be used to support the children's education. Thank you in anticipation of your support.

# Friends of St Vincent's

The Friends of St Vincent's is a small group of parent volunteers who organise events to bring us together as a whole community and to raise valued additional funds for our school. This fundraising is ever more vital as our school budget becomes increasingly squeezed and challenging.

They do a fantastic job, but...

The number of volunteers organising these events is small and they would hugely value some additional people to help organise and run events, plus over the past 2 years, it has not been possible to run events.

Now is the perfect time to get involved as we look to re-launch our Friends of St Vincent's with new ideas and events for our school community. If you have not already been in touch, and are interested in getting involved, please contact school and we will arrange a meeting of volunteers shortly.

## TERRACYCLE RECYCLING PROGRAMME

Our FOSV are getting involved in this recycling scheme, and the more recycling we collect, the more rewards we earn, and the greater the donation made to our school. Please do not throw away the following items—bring them to school and drop them in the blue bin at the front gates so that we can recycle them and earn funds for school:
