# For your information...

## PARKING PATROL

Our newly appointed Junior Safety Officers were out and about this week with our local PCSO reminding parents about the safest places to park. We are pleased to report that there has been a vast improvement on previous patrols. Thank you for your continued support.

## NUT FREE ZONE!

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

## PEACE PROMS 26TH JANUARY

We are almost ready for the big performance at the Echo Arena. A letter has been sent out detailing final arrangements. The choir will be required to wear a plain white top (no logos), dark coloured trousers/skirt and plain dark comfortable footwear. We have received an email to say that our choir will be seated in Block 10. You may wish to bear this in mind if purchasing tickets.

## MOBILE PHONES

Attached to this newsletter is a copy of our school Mobile Phone policy which provides guidance to parents and children with regards to bringing phones into school. Please be reminded that mobile phones should only be brought into school if absolutely necessary, and at your own risk. We are asking that parents carefully consider whether their child does need to bring a phone to school, and then update the permission slip attached to the policy if a phone in school is deemed necessary.

## PANTOMIME – 23RD JANUARY

This year we have arranged for a theatre company to come in to school and give a performance of 'Sleeping Beauty'. If you haven't already done so please could you log into your Parent Pay account and pay £4.50 to cover the cost of this performance. Thank you.

# Future dates for your diary...

*Please be aware that, whilst every effort will be made to keep to dates set, at times it may be necessary to change a date so please check the newsletter which will keep you informed of any necessary changes. Thank you.*

## ALLOTMENT AREA

Having secured some funding to improve provision for outdoor learning and health education, work has started to improve and develop our allotment area on the field. Once complete the area will provide opportunities for gardening, outdoor learning and an outdoor prayer space, using design ideas from the School Council...
