MENTAL HEALTH CHAMPIONS TOP TIP

This week's top tip from our School Council Mental Health Champions:

Anxiety is a feeling of fear or unease – and it's something everyone experiences at times. Feeling anxious is a perfectly natural reaction to some situations and can help us to focus or take extra care when needed, but if it gets too much or goes on for a while, it can affect our daily life. Use the strategies you have learned this week to help you manage any anxiety you might feel.
