

Year 5 Takeaway Homework - 24.05.19 -

Summer 2

Create a piece of continuous line-drawing artwork surrounding what you have read about 'Wonder' – you could draw Auggie, Summer, Jack, Julian or Charlotte...you decide!

Build a model of Beecher Prep and bring it into school – can you design Auggie's homeroom and the Science lab?!

Make a video or presentation about our Science topic (Humans including Animals) and it will be uploaded to SeeSaw –ask me for the code so you can upload it!

Design a game based around any of our topics – remember to include the instructions so your classmates know how to play the game!

Design the front page of a newspaper all about how elderly people can stay active in later life!

Create a 10 question quiz about Pentecost – I will choose the best and turn it into a *Kahoot!* for the class!

You are about to see Julian for the first time since those horrible comments he made; write a diary entry about how you feel!

Write a short mystery story, set in Penketh!

Imagine that you are a person who may look different to everyone else and you've gone on residential – write a letter home to your family before you go! (Think about how you are feeling!)

Draw a portrait of David Attenborough – it could be by using Roy Lichtenstein's style or using continuous line drawing – the choice is yours!

Write a shape poem about your favourite animal!

Create your own 10 question quiz about Treacher-Collins Syndrome (don't forget to include your answers below each question!)

Write a postcard to Mr Daly telling him all about your hopes and dreams for Year 6 – what do you hope to accomplish or achieve?

Draw a portrait of any significant building or place in Warrington – tell me why you've chosen that particular place!

Create a mind-map to show what you know about Warrington Town Hall & the Golden Gates!

Create an advert for someone trying to find the best friend that they possibly can – what do you need to include in your advert?!
