

# Year 3 Homework

## 15<sup>th</sup> March 2019

### Maths -

This week we have been learning about length in cm, mm and m. Can you practice converting lengths?

25mm=\_\_\_\_\_cm

1m 58cm=\_\_\_\_\_cm

100mm=\_\_\_\_\_cm

12cm 6mm=\_\_\_\_\_mm

150cm=\_\_\_\_\_m\_\_\_\_\_mm

546cm=\_\_\_\_\_m\_\_\_\_\_cm

189cm=\_\_\_\_\_m\_\_\_\_\_cm

1m 13cm=\_\_\_\_\_cm

**Practise all the  
times tables  
we have  
learned so far!**

**For example  
knowing  $6 \times 8 = 48$**

### Reading

Read at least 3 times a week and get your diary signed by an adult. This includes reading online, magazines and any other texts, not just your school reading book.

### Spelling - Revision of homophones.

What is a homophone? Can you list any homophones and their meaning? For example see- you can see with your eyes. Sea- the water we sail across. Grate- we grate cheese with a grater. Great- something big or impressive.

**Practise spelling any year 3  
and 4 words you are not  
confident with.**

A homophone is a word that sounds the same but it spelt differently and has a different meaning. Below are some words we struggled with in our spelling lesson. Ask an adult to help you understand these words.

Grate, great, fare, fair,  
bawl, ball, grown, groan, heel,  
heal, to, too, two, there,  
their, they're.

Thank you,  
Mrs Tarbuck &  
Mrs Pinto-Edwards
