WALK TO SCHOOL WEEK

Next week is "Walk to School Week" so please do your bit and if you normally drive your child to school, try and park a bit further away and walk the last part of your journey. Not only does this encourage children to be healthy, it improves mental health and reduces the number of cars close to school so that children are safer. We will be continuing to work with the Living Streets Charity after half term as part of a project to further encourage physical activity on your way to school. More information to follow soon.

COVID-19 EMAIL ADDRESS

If your child, or a member of your household receives a positive COVID-19 test result over the weekend, please notify school immediately so that we can make the necessary plans, using:
office@stvincentsprimary.org

NUT FREE ZONE

A reminder to all parents that children should not bring nuts, or foods containing nuts into school as there are children in our school who have a nut allergy.

FIRST HOLY COMMUNION

The Parish are finalising plans for First Holy Communion as we are very conscious that some of our Year 5 children have still been unable to receive their First Holy Communion due to lockdown and COVID-19 restrictions. I am hopeful that information should be sent out very soon. We are also in discussion with Fr John about how we can support Year 4 in their preparation for First Holy Communion and again details will be shared with you as soon as possible. Any queries or questions, please contact the Parish Office directly.

MENTAL HEALTH WEEK

This week the children have been engaging in a range of activities to once again raise awareness around mental health and to give children a chance to focus on their wellbeing.

The theme has been "Connect with Nature" so despite the weather we have been trying to connect with nature and be outside as much as possible!

OTHER FAITH WEEK

In Come and See, this week has also been a focus week during which the children learn about another world faith. This year the children have been learning about the beliefs and practices of Islam.
