### Question Seven (1 Mark)

**1 mark for two or three correct answers or 2 marks for all four correct**

Neil learnt to drive a car before getting a pilot license – false

Buzz was apparently meant to be the first man to step on the moon – true

Michael Collins had an important job – true

Lots of people have managed to walk on the moon – false

### Question Eight (2 Marks)

**1 mark for a simple contextualised answer**

E.g. Yes because then he wouldn't have been the first man to walk on the moon.

**2 marks for a justified response**

E.g. Neil is most known for being the first man to step on the moon so he might not have been famous if Buzz went first instead. He is also remembered for his well-known quote which wouldn't have happened if Buzz went.
