

Make a word chain using all the letters of the alphabet as links.

The last letter of a word and the first letter of the next word have to be the same.

Eg. able – elephant – today – yam – mob

Write a sentence where all the words have 3 syllables.

Eg. Sentences containing excessive syllables complicate amazing poetry.

Write a sentence where all the words contain 2 syllables

*Eg Tony wanted susan's lovely painted soldiers.*

Read a short paragraph in your book. Put all the 2 syllable words in alphabetical order.
